

## **PRESS RELEASE – For Immediate Release**

---

**July 6, 2005 9:30 am Eastern Time**

***Source: East Air Corporation***

NEW JERSEY, U.S.A. July 6, 2005/--Volare Airlines S.p.A. operating in Extraordinary Management has sought East Air's assistance in leasing an Airbus A320 APU from East Air to fulfill an AOG situation. East Air has supported Volare/Air Europe since the late 1980s and continues to support Volare during these challenging times.

---

### **About Volare Airlines**

The Italian Ministry of Production Activities has issued Decree making the company Volare Group S.p.A. ("Company") eligible for the Extraordinary Administration proceedings for Large Companies in Crisis Conditions (Law no. 39/2004, as amended by Law no. 166/2004 and Decree no. 281/2004). The Decree also appointed Mr. Carlo Rinaldini as Extraordinary Commissioner.
