Subject: Supplier Approval Notification

On behalf of Bombardier Aerospace, thank you for the time and cooperation you offered during our review of your capabilities. The review determined the adequacy of your Quality System to the needs of Bombardier Aerospace and adherence to regulatory requirements.

The Quality System documented and used by your company demonstrates process control and supporting management structure adequate to ensure products and services provided are acceptable.

As such, this letter documents your approval as a supplier to Bombardier Maintenance, Repair, and Overhaul organizations - contingent upon your continued compliance to regulatory ratings, capability listings, quality system accreditations, and/or consistent conformity to our standard of quality and reliability. As an Approved Supplier, you are subject to follow-up surveillance by Bombardier Aerospace, its customers, and/or the Federal Aviation Administration at any time.

Our expectation is that the services you provide remain within the scope of your ratings and/or certifications, as applicable.

Please notify us at the address below of any significant changes to ownership, name, location, or capabilities. This approval is effective as of February 12, 2009 and shall remain in effect until rescinded and may not be used for advertising or marketing purposes.

Regards,

Gary Franks
